Dear Mr. Davis,

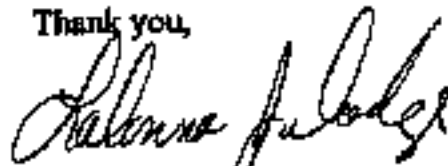

In response to your inquiry regarding administrative expenses for the Congressional Majority Committee ID# C00117721 - I can report that all such expenses billed to the Committee to date have been reflected properly in the Committee's submissions to the FEC. The Committee's expenses are not substantial - This is because the Committee receives all services performed on its behalf from unpaid volunteers. (For instance, Mr. Boyle, the Executive Director, does not charge for the handling of any postal communications, and the Committee pays no rent or utility charges.) The office supplies that have been necessary have been reported on the appropriate line on the statements filed.

The fundraising that has been done was accomplished through Victory Funds Inc. Victory Funds, Inc. has been paid by the Committee for reimbursement of telephone usage as well as any other charges incurred on the Committee's behalf. These payments were reported appropriately on the statements filed.

Enclosed you will find a copy of the FEC Form 1M that was filed on 3-1-99 in regards to the Congressional Majority Committee. Showing our qualifications for the multi-candidate status.

If you have any other questions please call me at (661) 327-4141.

Thank you,

LaDorna Dodge
Treasurer
